

Give YOUR child the gift of a Welsh education

**Dwy iaith
– Dwywaith
y cyfleoedd**

**Two languages –
Twice the
opportunities**

The Creuddyn Cluster of Welsh Medium Schools aims to offer pupils the best bilingual education. We are proud to nurture confident, ambitious, lifelong learners, in a happy and caring environment. A high percentage of our

pupils come from families where English is the main language. Our collective Welsh ethos develops an enthusiasm for Welsh language and traditions, inspiring pupils to develop into confident, fully bilingual learners.

Our vision is to provide the best possible quality of bilingual education through the medium of Welsh, which enables pupils to fulfil their potential, whilst providing support and guidance for pupils and parents every step of the way.

If you would like your child to attend your local school contact us now for more information
